Main Barn

A recently built 12-stall barn with central foyer. This state-of-the-art facility has 2 grooming stalls, 2 wash stalls, washroom, large tack room, office, laundry, feed room and multiple storage rooms. An elegant stable reminiscent of the classic New England barns.

Indoor Arena

To the east of the main barn is the large (80x180 ft) and bright indoor riding arena with fibre footing. The arena has multiple entrance points and to the west of the building is an electrical hook-up for a camper.

Irrigated Outdoor Riding Arena

The outdoor ring measures approx. 135 ft x 240 ft and is fully irrigated with fibre footing. This laser leveled riding arena is exceptionally well drained and the irrigation system has an over-sized water storage reservoir.

Second Barn

An immaculately kept 4-stall stable with heated tack room & plenty of storage space. Direct access to board paddocks. Board and batten exterior with attached equipment storage area/workshop.

- 4 stalls
- Heated tack room with laundry & hot water tank
- Large hayloft
