Talbot Islands, Cognashene, Georgian Bay

A legacy island property in the heart of Cognashene, this 3.5 acre island offers a main cottage, 2 sleeping cabins, a natural beach, a protected harbour and 2 cluster islands for additional privacy.

Positioned on the highest point of the island the cottage is oriented to breathtaking western views.

The 1950s cottage is a Georgian Bay classic with open rafters, a 2 storey stone fireplace and wall of western facing doors and windows to capture the view.

A simple L-shaped layout houses a kitchen, a games room, a covered porch, an open living and dining room and a hallway leading to 2 bedrooms, a 4 piece bathroom and a master with a 2 piece bathroom.

A large deck, at the back of the cottage is an ideal spot to lounge or BBQ lunch and take-in the eastern vista. Raised wooden pathways link the main cottage to the sleeping cabins.
