Horseshoe Hill, Caledon

A once in a lifetime opportunity exists to acquire a hidden natural oasis in Caledon made up of 106 acres of hard and softwood forests, farmland and a deep, a third of a mile long, spring fed lake. At the end of a 1/2 mile, maple tree lined driveway, come and explore a comfortable, 4 bed log home.

Assembled on a south facing hill, by expert builders oozing old world hunting lodge charm yet only fifty years new!

Sweeping south views from every room and the wrap-around deck. Offers generous entertaining space.

Miles of trails to explore throughout the property.

Nature's bounty is yours to discover - fishing, canoeing, swimming. Possibilities are endless from starting your own organic family farm to landing your own seaplane. To the south part of the lake is a small island - perfect for a summer camping adventure.

An additional 3 bed staff residence with separate driveway exits to the south of the main residence.

No need to travel 3+ hours north. Your very own piece of natural paradise less than 1 hour from Toronto, 40 minutes to the Airport, 5 minutes from Orangeville.
