### Caledon Gem

Nestled in the tranquil landscapes of Caledon, this beautiful property spans 28 acres enveloped by majestic trees and rolling hills that create a private oasis just minutes from urban amenities.

Step into a beautifully appointed 5-bedroom home that seamlessly blends modern comfort with mid-century appeal. From the welcoming foyer to the spacious living areas adorned with hardwood floors and natural light and numerous fireplaces!

The kitchen is equipped with premium appliances, custom cabinetry, granite counter tops and a walk-out to the deck and stone terrace.

Enjoy alfresco dining on the expansive stone terrace that features a stone wood-burning BBQ, firepit, stunning pool and pool house.

Play tennis on your own court and bring horses home to your 5-stall barn.

Extensive trail system for hacking or hiking.

This home is set behind a rolling field and mature trees, hidden from Gore Road for ultimate privacy and quiet.

Large oak board paddocks.

Large heated workshop.

The stable is heated and has many uses for a landscaper, wood worker, offices or storage.
